Dear Guest,

Thank you for choosing to participate in the trek to Valle delle Ferriere.

This is a group trek, organized by the Local Guides Matteo Giordano (+393202722599) and Paola Cioffi (+393393747368).

The walk is a path of medium-low difficulty, 6,4 km long (round trip), developed along a path of 3,2 km. It consists of a steep stone staircase and of a road used to carry goods through the mountain by donkeys. Both the downhill and uphill gap is 309meters. All the path is shadowed.

It is anyway a path which requires trained participants, suitable only for persons used to walk through the mountain, equipped with trekking shoes and adequate clothing.

The meeting point is in Piazza Duomo Amalfi at 9.30am at the bottom of the St Andrew Cathedral's staircase where one of our courier will be waiting for you.

If you need to contact them, call the number of the guides.

By lunch time you will be back to Amalfi city center.

Have a nice trek!
